Dear Dr. Thao Huong Pham

This is to notify you that the following article, "Effect of Spin Fluctuations on Magnetic Properties of Frustrated Spin Chain," is available under the "Early Access" area on IEEE Xplore. This article has been accepted for publication in a future issue of this journal, but has not been edited and content may change prior to final publication. It may be cited as an article in a future issue by its Digital Object Identifier. To view this article, please visit the journal homepage (listed below) on IEEE Xplore and select the ?Early Access? tab.

This paper appears in: IEEE Magnetics Letters

On page(s): 0

Print ISSN: 1949-307X

Online ISSN: 1949-3088

Digital Object Identifier: 10.1109/LMAG.2021.3120946

IEEE Author Posting Policy:

IEEE seeks to maximize the rights of its authors and their employers to post the author-submitted, peer-reviewed, and accepted manuscript of an article on the author's personal web site or on a server operated by the author's employer. Additionally, IEEE allows its authors to follow mandates of agencies that fund the author's research by posting author-submitted, peer-reviewed, and accepted manuscript of their articles in the agencies' publicly accessible repositories. No third party (other than authors and employers) may post IEEE-copyrighted material without obtaining the necessary licenses or permissions from the IEEE Intellectual Property Rights Office or other authorized representatives of the IEEE.

Thank you,

IEEE Publishing Operations
