Examination of  $\alpha$ -induced fusion reactions relevant to the production of p-nuclei

Dear Dr Nhu Le:

It is a pleasure to accept your manuscript entitled "Examination of  $\alpha$ -induced fusion reactions relevant to the production of p-nuclei" in its current form for publication in the European Physical Journal A - "Hadrons and Nuclei".

Thank you for your fine contribution. On behalf of the Editors of the European Physical Journal A, we look forward to your continued contributions to the Journal.

Sincerely yours,

Dr Thomas DUGUET

Editor-in-Chief

European Physical Journal A - "Hadrons and Nuclei"
