

9th Sustainable Animal Agriculture for Developing Countries
SAADC2023 CONFERENCE, 21-24 NOV 2023, VIENTIANE, LAOS
Website: <https://saadc2023.nuol.edu.la>

Date: 22th August 2023

ACCEPTANCE LETTER

Dear authors, TT Hai, A van Peer, JW Cone, JT Schonewille, JJP Baars, LD Phung, and WH Hendriks,

On behalf of the Scientific Committee of the Sustainable Animal Agriculture for Developing Countries (SAADC2023) conference, I am pleased to inform you that your abstract entitled **“Incubation temperature affects growth and efficacy of three white-rot fungi to improve the nutritive value of rice straw”** has been **accepted for the “Oral presentation, no. OP1010”**, at the 9th SAADC2023 Conference during 21-24 NOV 2023, at VIENTIANE capital, LAO PDR.

Thank you for your kind contribution. If you would like to receive an official invitation, we will send this shortly. We look forward to welcoming you in Vientiane.

Your sincerely,

Vannaphone Phouthana (PhD)

Chairman, SAADC2023 Organizing Committee

Vice-Dean of Faculty of Agriculture, National University of Laos
